To put on a Voices event, your group must pick one person (and only one person) to be an Event Coordinator.

The Event Coordinator is one person who should be centralizing all correspondence with our office about an event and who is the person ultimately responsible for filling out the Evaluation Form after an event, guaranteeing that money raised by your event is properly distributed, and ensuring that all Voices guidelines are observed.

When your organization has agreed upon an Event Coordinator, please mail in, fax, or email in the form below. We will then you an email confirming your status and that you have access to the Evaluation Form and any additional materials you will need.

To become an Event Coordinator, you must previously have established a username by signing in on the Voices site to become an organizer.
